

Amethyst

Beauty & Relaxation

Amethyst are thrilled to introduce the NEW ELEMIS BIOTEC Facials

THE UNIQUE FUSION OF ACTIVES, TOUCH AND TECHNOLOGY

*Elemis have combined their high-potency actives and unique hands on therapy with the science of bio-technology to deliver a **New Generation** of facial treatments*

BIOTEC is able to deliver five technologies in one machine:

ULTRASONIC PEEL

Draws out impurities, resurfaces, stimulates collagen production

MICROCURRENT LIFT

Firms and tones, improves collagen and elastin production

O2 INFUSION

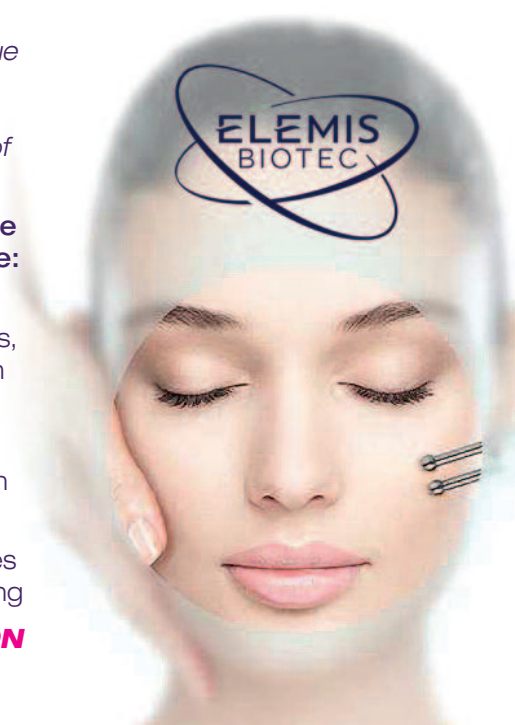

Visibly plumps fine lines, restores elasticity, encourages skin healing

GALVANIC REJUVENATION

Deep cleansing, rejuvenating

LED LIGHT THERAPY REBALANCING

Soothing and calming, stimulates collagen production, deep cleansing

EXTRAORDINARY RESULTS
AFTER JUST ONE TREATMENT!

TREATMENT BENEFITS

Bridges the gap between a hands-on facial and cosmetic, non-invasive procedures

Seven customisable facials target specific skin needs including anti-ageing, lifting and firming, resurfacing, treatment of sensitivity, dehydration and acne

Immediate, visible and longer-lasting skincare results

Clinically proven results

TRIPLETEC ANTI-WRINKLE FACIAL

Increases skin firmness
by 95%*

100% of subjects felt they would postpone surgery and Botox in favour of a course of facial treatments*

*Independent Clinical Trials 2014

Join us in celebration of *Five Years in Business*
at our annual Amethyst Social Event!
Wednesday 28th October – 6.30pm
